

Spring feVer!

We've got Spring Fever here at SmithPreferred and have discovered the perfect remedy to share with you: just add a touch of spiciness to your menus & to your pantry! It's a perfect way to melt away the Winter!

Our Spring Fever Special:

Free Shipping on any order of \$50.00* or more now through April 15th!

One of the best ways we've found to conquer the signs of Spring Fever is to boost the flavor and intensity of everything we are preparing in the kitchen. Whether you add our fiery Mama Lil's Kick Butt Peppers, our smoky Rub with Love "steak rub", or our zesty Quinn' Peach Habanero Jelly as your finishing touch to your entrées, you'll be certain to consistently defeat our often unpredictable Spring weather. Or even try our Three Chilies Caramel Sauce drizzled over ice cream!

A few of our favorite Spring warmers...

Pepper Jellies!

Preparing fresh salmon is as delicious as it is simple with one great ingredient: Quinn's **Jalapeño Pepper Jelly**. Simply prepare the salmon for grilling and glaze it with this incredible pepper jelly for a finished entrée that is just the perfect marriage of "hot & sweet".

Spicy Sauces!

Another great and simple grilling recommendation: brush shrimp skewers or baby back ribs with our Rub with Love

Some of our customers favorites include:

Classic Salsa Verde - Tomatillos, Sweet Onions & Corn

Fire & Spice 3-Pack

Spicy Red Chili Teriyaki Sauce. This sauce will give a discreet blast of heat that won't overwhelm your pallet.
